Foreword by JON KRAKAUER
INTERNATIONAL BESTSELLING AUTHOR OF *INTO THE WILD*

I had made the right decision not to allow Jon to write the whole truth. The constant misconceptions about my brother made me want to cry out the real reasons why walking into the wild was far from crazy, but the smart thing I wish could have done.

- Winter: remove snow from the driveway and sidewalks
- Provide an hour of non-traditional support each month, such as:
 - Move or lift furniture or other heavy items
 - Install shelves or electronics (flat screen TV's)
 - Summer: Plant flowers, bushes or shrubs or provide special landscaping support
 - Winter: Install or take-down Christmas lights

How to enroll:

- Complete the "Deployed Spouses Program" form

Aurora Housing – Planning for a Smooth Departure

In 4Q16, 324 service members departed JBER Housing

The good news – to depart ~27% paid \$0, ~41% paid less than \$100, and ~65% paid less than \$500

Some incurred charges for services, including:

- Flooring
- Maintenance
- Cleaning

We need your support to ensure that every JBER resident is aware of the expectations and opportunities

- Aurora conducts daily newcomer briefs, Monday-Friday at 3pm
- Aurora conducts pre-final move out briefs Tuesdays and Thursdays at 9am to identify concerns and provide guidance
 - The move out brief is also available at auroramilitaryhousing.com
 - Cleaning expectations outlined in Aurora handbook pages 13-17 & 33-40

Aurora Housing Move Out Charges 4Q16

Carpet replacement is the most common charge for departing JBER residents and 61% of the total charges assessed in 4Q16

At move in, each JBER resident is provided a carpet history, and advised that they are responsible for the carpet's depreciated value

Potential replacement causes:

- Excessive stains or spots
 - Including animal or human urine or waste
- Holes, claw marks, rips or tears
- Odor (i.e. cigarette smoke)

Tips & Tricks:

- Reserve a shampooer and soap for free from the Aurora U-Fix-It shops
- Recommend carpet cleaning no more than 2-3 times per year; overuse can damage carpet and pad
- Utilize rugs in high-traffic areas
- Vacuum often and spot treat stains as soon as they happen

Aurora Housing Spring Clean-up 2017

- Saturday, 29-April to Friday, 5-May
- Please participate!
 - Clean your yard or neighborhood common areas
 - Help a deployed service member clean their yard (or guide them to Aurora for support)
 - Pick up trash that has accumulated in neighborhood parks
 - Clean up fence lines and wooded areas that “catch” the wind blown trash
 - Spring clean your garage, basement, shed, etc. and schedule large item pickup with the maintenance team, 907.753.1091
- Dumpsters will be in housing subdivisions spring clean-up week
- Just moved in? Break down your boxes and contact mover for pick-up
- Quality Household goods? Donate to local organizations such as Airmen's Attic, Base Thrift Stores, ARC of Anchorage, Salvation Army or Goodwill
- Aurora teams will be cleaning JBER housing throughout the week

Aurora Housing Spring Break Up

- Pay special attention to the melting snow and feces/waste left by pets
 - Pick up waste that accumulated over the snowy months
 - Pick up waste at least once per day to keep your yard clean
- Resolve excessive “grass kill” caused by ice melt or animal urine/waste (usually areas adjacent to the driveway or sidewalks)
 - Once the ice and snow thaw, flush the affected areas with water to dilute the chemicals
 - If a problem persists, lime can be applied to neutralize the chemicals
 - Get grass seed, lime and other yard materials at both U-Fix-It stores (starting May 1st)
- Residents that moved to JBER 1-Nov to 1-May may find pet waste from previous resident pets (in front/back yards and decks), please contact Aurora to schedule a one-time spring clean up (we'll take care of the deposits this year), 907.753.1091
 - Spring cleanings should be requested no later than 1-May
- Residents that have dumpsters in your area, please “patrol” your dumpsters, including:
 - Ensure that refuse goes inside the dumpsters (not around or outside)
 - Ensure that dumpster lids are completely closed
 - Schedule large item pickup with the maintenance team:
 - <http://www.auroramilitaryhousing.com/service-request>
 - Or call: 907.753.1091
 - Report unsightly rubbish to Aurora at 907.753.1091
